#### **COVID-19 INFORMATION**

# COVID-19 ALBERTA HEALTH DAILY CHECKLIST (FOR CHILDREN UNDER 18)

### Overview

This checklist applies for all children, as well as all students who attend kindergarten to Grade 12, including high school students over 18. Children should be screened every day by completing this checklist before going to school, child care or other activities. Children may need a parent or guardian to assist them to complete this screening tool.

## **Screening Questions**

#### 1. Has the child:

(Choose any/all possible exposures)

Traveled outside Canada in the last 14 days?  When entering or returning to Alberta from outside Canada, individuals are legally required to quarantine for 14 days unless enrolled in the Alberta COVID-19  International Border Pilot Project	YES	NO
Had close contact with a case of COVID-19 in the last 14 days?  Face-to-face contact within 2 metres for 15 minutes or longer, or direct physical contact such as hugging	YES	NO

## If the child answered "YES" to any of the above:

- The child is required to quarantine for 14 days from the last day of exposure.
  - If the child is participating in the Alberta COVID-19 International Border Pilot Project, they must comply with the program restrictions at all times.
- If the child develops any symptoms, use the <u>AHS Online Assessment Tool</u> or call Health Link 811 to determine if testing is recommended.

#### If the child answered "NO" to both of the above:

Proceed to question 2.

2. Does the child have any new onset (or worsening) of the following core symptoms:

2. Does the child have any new onset (or worsening) of the following core sympto		,
Fever	YES	NO
Temperature of 38 degrees Celsius or higher		
Cough	YES	NO

chronic migraines		
Conjunctivitis (commonly known as pink eye)	YES	NO

# If the child answered "YES" to ONE symptom in question 3:

- Keep your child home and monitor for 24 hours.
- If their symptom is **improving** after 24 hours, they can return to school and activities when they feel well enough to go. Testing is not necessary.
- If the symptom does not improve or worsens after 24 hours (or if additional symptoms emerge), use the <u>AHS Online Assessment Tool</u> or call Health Link 811 to check if testing is recommended.

#### If the child answered "YES" to TWO OR MORE symptoms in question 3:

- Keep your child home.
- Use the <u>AHS Online Assessment Tool</u> or call Health Link 811 to determine if testing is recommended.
- Your child can return to school and activities once their symptoms go away as long as it has been at least 24 hours since their symptoms started.

## If the child answered "NO" to all questions:

Your child may attend school, child care and/or other activities.

**Please note:** If your child is experiencing any symptoms from the lists above, do not bring them to visit a continuing care or acute care facility for 10 days from when symptoms started/until symptoms resolve (whichever is longer), unless they receive a negative COVID-19 test result and feel better.

Classification: Public
