

## STS Scholars Application

STS seeks students who are committed to excellence in scholarship, leadership, and character. To that end, the STS Scholars scholarship program was created to support mission appropriate students applying to STS. At this time, students applying to Grades 5-12 at STS are eligible to apply to become an STS Scholar.

Successful applicants are selected based on their academic abilities, character development, and leadership potential. The scholarships are renewable for three years or until a Scholar graduates from STS.
