

# TWO PATHWAYS, ONE GOAL

## STAND ONLINE

## STS FLEX

*For independent learners who want to achieve more, anywhere in the world.*

# ST&

- ✓ Perfect for competitive athletes, performers, world travellers, and learners with unconventional schedules who also want a robust academic experience.
- ✓ Learn at your own pace, on your own schedule with module-based courses.
- ✓ Stay connected through live tutorials, virtual check-ins, and chat support with dedicated, supportive, and highly skilled STS faculty.
- ✓ Access partnership programs including dual credit with post-secondary schools and career-focused credentials.
- ✓ Receive a world-class education and still have the freedom to pursue your passions, dreams, goals, opportunities, and journeys.

*The best of both worlds – flexibility online with the vibrancy of STS campus life.*

# STS

- ✓ Perfect for independent, advanced learners who want flexibility AND campus community.
- ✓ Combine online learning with in-person classes tailored to your schedule.
- ✓ Full access to campus co-curricular and extracurricular programs.
- ✓ Collaborate in STAND's Design Studio and Changemaker programs – bringing creativity and innovation to life.
- ✓ Stay supported through individual schedules, faculty mentorship, and peer connections.
- ✓ STS uniform required for on-campus classes and activities.

## END RESULT

*\*Pricing different for each pathway*

- ★ Graduate with an Alberta High School Diploma.
- ★ Highly esteemed academic credentials recognized by post-secondary schools worldwide.
- ★ Well-prepared, capable, and confident graduates, ready to conquer what comes next.
