### Busing Options

Transportation to and from summer camps can be difficult to manage with busy schedules. We understand this, and that's why we've teamed up with **Southland Transportation** to provide busing options within the Calgary area.

Bus service will be available for FULL-DAY campers during the following weeks:

- ▶ July 2-5
- ▶ July 8-12
- ▶ July 15-19
- ▶ August 12-16
- ▶ August 19-23
- ▶ August 26-30

Busing is not available for July 22-26 programming.

### Busing Fee

Each participant per week costs a flat rate of **\$80**.

There is one price - whether you require the full-week or partial service, the cost is the same.

Payment can be added upon checkout at registration.

## What to expect from Southland Transportation:

- Their best efforts for a prompt arrival at each bus stop, ensuring participants start on schedule.
- Kindergarten-aged children will not be let off the bus without a parent or guardian to receive them at the stop. If parents or guardians wish to have children older than Kindergarten-age remain on the bus until they arrive, please communicate your request to [spmdispatch@southland.ca](mailto:spmdispatch@southland.ca).

## What Southland Transportation expects from parents:

- Parents/guardians are fully responsible for their children, regardless of age, before and after boarding the bus.
- Ensure your child(ren) is on time for the morning bus pick-up.
- Communicate a plan to your child(ren) for the afternoon bus drop-off. Ensure they have a ride home each day.
- Remind your child(ren) about bus rider expectations and respect the driver.

## What Southland Transportation expects from riders:

- Be standing at the assigned stop at least 5 minutes before the pick-up time.
- Be courteous to the driver and the other riders.
- Wear the seatbelt provided on the bus.
- No standing or moving around during the ride.
- Do not distract the driver with electronics (use headphones) or rowdy and loud conversations.
- There is zero tolerance for rude behaviour, obscene and inappropriate language, fighting, vaping/smoking, littering, or damage to the bus.

*Violation of bus rules will lead to loss of riding privileges or suspension from attending summer camp programs. Any liability of the school for other misfortune in connection with bus transportation is hereby excluded. The driver is in full charge, and their directions must be obeyed. The driver will report any misconduct to the STS Summer Camp Principal, and the STS Code of Conduct Policy will be followed. Parents are financially responsible for any damage and incidental expenses caused to the buses by their children.*
